www.pembsguildwsd.org.uk/gallery.htm

March 20th Rob Jones – Native Bees

Queen rearing method used by Robert Jones for Native Bees. The talk and demonstration is suitable for beginners and advanced beekeepers alike, followed by a question and answer session on general beekeeping.

April 17th - Willow Sweet Pea Climbers

Join in a workshop with Cassie Lishman from Live Lightly, and learn To make a decorative sweet pea climber for your garden. Small donation for materials.

April 25th - Vanishing of the Bees (Film)

[Crymych Market Hall 7pm](#). If you care about food, you'll need to see this film! Find out what is happening to our honey bees. The film will be followed by a discussion, refreshments available.

May 15th - No Dig Gardening

Save the environment and your back and use those annoying grass cuttings! Pete Rout Chair of the Hermon Gardening Club will talk to us about the many benefits of the No Dig Gardening system, and answer your questions too.

June 19th - Scything demonstration

Cassie Lishman and friends from the Lammas Project in Glandwr will show you how an Austrian scythe can be more effective than a strimmer! There will be a demonstration of blade sharpening and a discussion.

June 27th End of the Line (Film)

[Crymych Market Hall 7pm](#) Come and learn about the realities of today's fishing industry. Followed by discussion (tbc)
